JANUARY 2024

Administrator's Corner

I am truly feeling the magic of the season this year. You all discussed giving back in more ways this year, so we decided to adopt a family in the Holly area school district under the Angel Tree program. Staff & residents donated many gifts for the family as well as \$680 in monetary donations. We were able to shop and support the family of five this holiday season. Below are photos of the children's gifts, stockings & gifts for the Mom. I have heard a lot of positive feedback from you all in regards to being a part of the Angel Tree project and have requested we adopt a family again next year!

It was great to see everyone at this year's holiday party. It was the largest it has ever been! 80 attended and I believe all enjoyed it.

The Administrator/Resident monthly meetings are set to resume in January at the Manor. Hope to see you all there. Any questions or suggestions please stop by the office or give me a call at 248-624-0592.

<p>In 1936, Hennie Comfort, eighty-six, meets Nit Spindle, seventeen, just as the old woman learns she must leave the Colorado mountains that have been her home for seventy years. Nit has lost her baby, and Hennie takes the girl under her wing, telling her stories about mountain life, stories that are as much about Hennie as they are about the historic people of the high country. The harsh conditions of life that Hennie and Nit have suffered create an instant bond, and an unlikely friendship is formed, one in which the deepest of hardships are endured and the darkest memories are confessed.</p>
