## VILLAGE ADMINISTRATOR

Winter is on its way. I want to remind everyone that while we do our best to keep the parking lots and sidewalks clear, it is important to wear proper footwear and to be careful. Please let us know if there are areas that require additional attention. Also, please remember to dress in layers and make sure that you are wearing gloves and covering your head and face during the cold weather.

REMEMBER, after a snow you need to clean off your car and move to a clean spot. This allows the plows to finish clearing all the parking areas. Then you can move your car back.

It is time to begin decorating for Christmas and the holidays. We will be decorating the Christmas tree in the Manor on December 2<sup>nd</sup>. For those who have just moved in or have not done so in the past and would like to participate, we ask that you bring an ornament to hang on the tree with your name, apt # and the year you moved in. It is nice when we decorate to remember those residents that are no longer with us. It brings back so many memories that we can share with each other.

The Christmas trees in the Circle will be placed on the tables in each building with a box of decorations. The residents in the building may then decorate their tree. It is always nice to go from building to building looking at how each tree has been decorated.

I wish all of you the very best Christmas and Holiday Season ever!
