Maintenance Updates

- Apartment inspections will begin on Wednesday, April 17th. We will start on first floor after 9:00 am. On Thursday, April 18th we will be inspecting second floor. On Friday, April 19th, the window washers will be here in the morning. Dave and/or Stephanie will be coming around Friday afternoon to put the screens back in.
- DO NOT remove or install the screens within your apartment. When we do the inspections we will be taking them out. On Friday we will be putting them back in. This is maintenance's job to be sure that they are installed and removed properly.
- Please feel free to clean the screens while they are out. You can spray them with a cleaner and rinse them off in the shower.
- Do not throw food scraps in the lawn. This will only attract unwanted pests. We especially don't want to be inviting them near our entry doors. Please dispose of your waste properly.
- If you need assistance with your thermostat, please contact the office.
- ***If you have a health emergency, you or your family members should press your personal help button or call 911.***
- ***If there is a fire emergency you should call 911.***

Service Coordinator Corner

Elizabeth Brinker 989-892-6906

Service Coordinator's office is located on the 2nd floor inside the theater

It's April! Remember, April showers bring May flowers! So looking forward to seeing all of our beautiful flowers and plantings blooming again! In April I will be out of the office several days so please check the calendar if you have questions or feel free to leave me a note in the upstairs mailbox outside the theater.

On **April 11th at 2pm**, we will have a Blood Pressure Clinic, although at this date, I am not sure whether I will have another agency to do the second clinic on April 25th. Watch the places where I post about presentations (outside the theater room door and on the door to the Community Room) for up to date information regarding cancellations, etc. **Please consider doing this one quick check on an area that can affect your life without you knowing...**

Thank you to all that have taken advantage of having their blood pressure checked by a trained professional: it is good preventative care. Remember, *there is no cost and you don't even need to show your insurance information!* There's always lots of fun conversation and laughter while we wait. On top of that, you get a ticket for coming down and doing something good for yourself!

Mel from The Care Team Home Health Care and Hospice will be presenting on "**Diabetes: High and Low Sugar**" on **April 10th at 2pm in the Community Room**. This presentation will include information on both Diabetes and Hypoglycemia. Come check it out!

It is important to my position that I monitor when you are **out of the building to the hospital or emergency room**; please let me know, either when you are out, or at least notify me when you return. Remember that it is part of my position to assist you with services you may need after having spent time in the hospital or when returning from convalescing at a nursing home or even a family members' home. Feel free to call me if there is any way that I can assist.

I will be in the office **all day on April 24th (9a – 4p)**. I will be out of the office **all day on April 8th, April 16th, April 19th, and April 22nd**. You can always refer to the calendars posted on my office door, outside the Theater Room in the hall, and on the bulletin board near the cubbies downstairs.

Remember, you **get a "ticket" for each activity or presentation that you attend that Stephanie or I organize**. When you gather 10 tickets, come up to the Service Coordinator office and choose from the "**Goodie Shelf**" – there will be a variety of items, both male and female, and from practical like laundry soap, hand soap, toilet paper, or canned goods to fun like candy, nuts, or 'doo dads'. **I'm continuing to get new and different items so don't "assume" that you know what's there. ☺** Thanks for your participation!

You can always call (989) 892-6906 and request an appointment at any time – if I'm not here, leave a message and I will return your call as soon as I return. You can also leave me a message in the mail slot outside the Theater Room door; I will contact you as soon as I am able.

Watch your calendar - we are getting closer and closer to spring!
Elizabeth

The Magic of Friendship

A recent special edition of Time Magazine is titled Friendship: "The Bonds That Shape Us at Every Age". This publication further supports the notion that friendship and connecting with others is the bond that makes life sweeter no matter what stage we are in. There is documented evidence that children fair better in school if they have developed strong friendships. Often these friendships last for a lifetime.

Whether it happens at the barber or beauty shop, a religious setting, a yoga class or being with neighbors and friends at a PVM village these bonds endure and help us to celebrate or problem solve our way through life - good times and bad. Many times PVM residents have remarked that they and their fellow residents look out for each other daily; and this brings joy and comfort to their lives.

Our annual Village Victory Cup is coming up on June 21st. This is a great way to celebrate the joy of life and is also a good way to make new friends as well as bond with the ones you have now. Come join in the fun. Talk to your village staff about becoming a member of your village team. Hope to see you there!

The Ins and Outs of Shipt, Part 2

This is the final article in a series of articles I have been writing about living life without a car when my car was in the shop for some minor repairs. Last month I wrote about what you need to have in place to use the online grocery shopping and delivery service Shipt. This month I am writing about how it works.

After you download the app and create an account, you're ready to begin shopping. As part of setting up your account, the app will find participating stores closest to your location and prompt you to choose one. In Michigan, you have two options: Meijer and Target. If both are available you can switch between the two each time you shop.

Using the app is pretty straight forward. When you open it, the delivery address you specified and the store you selected when you set up your account will be displayed along with the next available delivery time. Don't worry if that's not the time you want. You will select your actual delivery time later in the process.

Also displayed will be a search bar and a series of categories (Buy Again, On Sale, Browse, Favorites, etc.). You can use either to select the groceries you want.

The first time I used Shipt, I used the search bar. I typed in the name of the item I wanted and all the products containing that name were displayed along with their pictures and prices. From the displayed list I selected the specific item I wanted and added it to my shopping cart by tapping the plus sign located to the bottom right of its picture. If you tap the picture, you will be presented with more detailed information about the item and have the ability to add additional quantities of that item to your cart.

As you use Shipt it keeps track of the items you buy and compiles a list of those items in the Browse Again category. Since I'm a creature of habit and tend to buy the same things over and over again, the next time I used Shipt I shopped using that category. After tapping the icon, all the items I purchased in the past were displayed. I then tapped all the items I wanted to buy, which added them to my shopping cart.

Once you fill your cart with all the items you want, it's time to check out. Confirm your cart contains the items you want by tapping the cart icon in the upper right hand corner of your screen. If it does, tap the green Checkout bar which is located at the bottom of your screen. Doing so will display a list of available delivery times. Selecting the time you want will display the delivery address, the delivery time you selected, how you prefer to be notified regarding substitutions, your payment method and the total cost of your order. If everything looks good, tap the green Place Order button at the bottom of your screen. If not, you can make changes by tapping the Edit button next to what you want to change.

The Ins and Outs of Shipt, Part 2, cont.

Tapping the Place Order button will place your order and also display an order confirmation. In addition, a confirmation email will be sent to the email address you associated with your account when you set it up.

A few minutes after you place your order a Shipt shopper will claim it. The shopper's picture along with their first name will appear in the app on the confirmation page along with their first name. When they begin shopping they will send you a text and ask you if you want to add anything to your order.

While they shop, if you indicated you wanted them to contact you regarding substitutions they will send you a text if something you ordered is not available and will suggest a substitution, which you can accept or deny. Once they finish shopping they will notify you that they are checking out and once they check out, they will notify you that they are on their way to the delivery address you specified.

When they arrive, if you need help putting your groceries away they will assist you. If not, they will place them wherever you want. I have always had a positive experience. My shoppers have been very helpful and very friendly. I have received all the groceries I ordered (unless unavailable at the store) and the cold items were cold, the frozen items were frozen, and the fresh items fresh.

After your shopper drops off your groceries, you will have the opportunity to rate them and give them a tip through the app. Both are very important tasks to complete. Rating them lets Shipt know how well they did their job. Tipping them is a way of thanking them for a job well done. Additionally, Shipt shoppers can see your tip history, which can influence whether they claim your order. A Shipt shopper whom I know told me that better tipppers tend to attract the better shoppers.

For me, using Shipt has been pretty easy. Like with anything, I have found that the more I use it the better I get at it. The groceries themselves are a little more expensive (that's how Shipt makes their money) and the tip does add to the cost, however, you can't beat the convenience. So, the next time you find yourself without a car and in need of groceries, rather than take the bus or bum a ride from a friend you just might want to give Shipt a try.

SERVICE EXCELLENCE

Just a reminder that the Service Excellence recognition slips are located to the right of the cubbies on the first floor. If you feel that any Hampton Meadows' employee has done something noteworthy for you or our community, please fill out a recognition slip for them. You can either put it in the suggestion box where they are located, in the drop box or you can give it to the Administrator directly.

It will then be forwarded along to a monthly drawing where we can be entered to win a prize. Thank you again for your continued support and assistance. Please let us know if there is anything that we can do to make your experience here at The Village of Hampton Meadows the best that it can be.

Friendly Reminders:

If you would like to sit and chat with your neighbors, we welcome you to do that in one of our beautiful amenity rooms. You can have privacy while you catch up on what you have been up to. Please be courteous of your neighbors and the staff by not congregating in the lobby. The loud conversations are very disruptive especially if we are on the phone or trying to have a private conversation of our own.

Secondarily, the person in my office is entitled to their privacy and should not have to worry about other people in the lobby listening to what they are talking about which could include confidential financial matters.

Remember to always be kind to one another. One simple act of kindness can go a long way. Help your neighbors and your friends if you see that they could use a helping hand. Offer some kind words of encouragement if you know that they are struggling with something in their lives.

Words can hurt. Please think before you speak. Sometimes what you say to others can really make an impact on them. You may think that you are joking and they may think that you are insulting them. A compliment or a kind gesture really goes a long way.

Congratulations!

You are being recognized because
"What you did mattered!"

Thank you for what you did!

Asparagus Fettuccine Carbonara

Ingredients

- Kosher salt and freshly ground black pepper
- 1 cup grated parmesan, plus more for serving
- 3 large egg yolks
- 1 pound jumbo asparagus
- 8 ounces fettuccine
- 6 slices thick-cut bacon, cut into ½ inch pieces
- ¼ teaspoon crushed red pepper flakes (optional)
- 1 clove garlic, minced
- ¼ cup fresh parsley leaves, chopped

Directions

- Bring a large pot of salted water to a boil. Mix the parmesan, egg yolks, ½ teaspoon salt and a generous amount of black pepper together in a medium bowl; set aside.
- Snap off the woody ends of the asparagus stalks. Use a vegetable peeler to shave the asparagus into thin wide ribbons. The last strip of asparagus will be a little thicker than the others, but is fine to use.) Set aside.
- Cook the fettuccine in the boiling water according to the package instructions for al dente. Reserve ½ cup of the pasta water, then drain.
- Meanwhile, cook the bacon in a large skillet over medium high heat, stirring occasionally, until crisp, 7-8 minutes. Drain off all but 2 tablespoons bacon fat from the skillet. Add the crushed red pepper flakes and garlic and cook, stirring, until fragrant, about one minute. Reduce the heat to medium low, add the drained pasta and asparagus and toss until well coated and mixed with the bacon.
- Whisk ¼ cup of the reserved pasta water into the egg mixture, then quickly pour it over the pasta and toss to gently cook the eggs and make a creamy sauce. Thin out the mixture with more pasta water as needed, 1 tablespoon at a time. Divide among 4 bowls and garnish with the parsley and more parmesan if desired.

Tax Time Humor and Quotes

For every tax problem there is a solution which is straightforward, uncomplicated and wrong.

I'm not going to pay taxes. When they say I'm going to prison, I'll say "No, prisons cost taxpayers a lot of money. You keep what it would have cost to incarcerate me, and we'll call it even." ~ Jimmy Kimmel

Why won't sharks attack tax inspectors?
Professional courtesy

Worried about an IRS audit? Avoid what's called a red flag. That's something the IRS always looks for. For example, say you have some money left in your bank account after paying taxes. That's a red flag. ~ Jay Leno

The guy who said that the truth never hurts never had to fill out a form 1040.

Nothing had done more to stimulate the writing of fiction than the itemized deduction section of the income tax forms.

The best things in life are still free, but the tax experts are working overtime on the problem.
