WOW! Summer is almost over. It does not seem possible that the summer is almost gone. School is getting ready to start and fall will be following close behind. Fall is a beautiful time of year. Trees are changing colors and the air becomes a little brisk.

Thank you for all who helped fill our tote for school supplies for the Holly Youth Assistance. I am sure the children will appreciate receiving supplies that they otherwise would not have been able to have. It is great that Holly Woodlands was able to give back to the community in this way

At our resident meeting, we discussed the importance of having a surge protector for your television and your computers. I said I would pass along the information on a surge protector that has an insurance that comes with it. It is **Tripp Lite 1 Outlet Portable Surge Protector Power Strip, Direct Plug in \$5,000 Insurance (SPIKECUBE)**. You can purchase surge protectors in stores or order them on line There are several different kinds of surge protectors on the market, you do not have to get this certain one. Look to see what is out there and then make your choice.

Please get out and enjoy the days of nice weather. Walk the property and look at the flower beds. Go see the garden by the Community Building. Read a book at one of the park benches. Gather at a picnic table and converse with your neighbors. Swing on the swing or glider. There are so many opportunities to enjoy the outdoors. Let's take advantage of them before the weather turns bad.

Our Resident/Administrator meeting will be at the Manor on September 30<sup>th</sup> at 1:30. I hope to see you all there. This is a time that you can give ideas and suggestion on how to improve our campus.

## Village of Holly Woodlands Choir News

September 11th will be a big day for our choir. We will resume meeting following our Summer break. We will begin with a **NEW TIME TO MEET, 2:30pm** in the Manor Community Room. Changing our time by a half hour will allow the Wii bowlers to complete their game and give us time to set up the room for practice.

As discussed at our last meeting, we will have the room set up as if we were doing a concert each time we practice so that we can get to business right away.

We want Choir to be a fun time for those who enjoy singing. **Anyone who is interested in singing please come join us, MEN ARE WELCOME ALSO.**

At the last meeting it was decided to have a Director which will be Dawn White. Dawn will use Co-Directors for some of the concerts beginning with Sally Swayne. Sally and I have already been meeting together in preparation of the coming season. Dennis White will continue to be our pianist.

We know some of our members were worn out and ready for a break. We hope that this summer has been a refreshing time for all and the **EVERYONE** will return for some fun together.

Looking forward to singing with you September 11th,

Dawn and Sally

## Small change makes a big difference!

There is an old joke that asks, "How do you eat an elephant?" The answer: One bite at a time!

But seriously, when you are asked to support a cause YOU believe in, you might think, "I want to help, but I can't write a check big enough that will make a dent in the problem."

**Not true!**

**Your monthly gifts have a significant impact!**

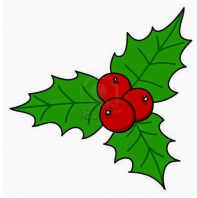

Here is a reminder that YOU can make a difference all year long when you make a monthly gift to The PVM Foundation. For as little as \$2.50 a week, or \$10 a month, YOU can become a **Possibility Builder**. YOU will join a unique group of people whose monthly gifts support their Village or a senior in their time of need.

**Possibility Builder gifts add up!**

It's easy to give, and every contribution, however large or small, helps someone in need. Monthly giving is convenient and efficient!

Make YOUR monthly payments automatic by check, credit, or ACH payment. You can cancel your gift at any time.
