

## Hear what our residents and families have to say

“How can we ever thank all of you for the loving care you have given our father these past two and a half years? Words alone can never express the depth of gratitude we feel for ALL of you! Your kindness, love, laughter and support were exceptional combined with the professional care we appreciated so much. You truly helped to make his last earthly days ones of worth, love and dignity. May God continue to bless you in your ministry of caring for His people. You are truly LIVING examples of Christ for others. Our hearts overflow in one grand chorus of “Thank You” – which you have etched in our hearts forever! For everything you’ve done – for being the special people that you are – thank you so very much. May God bless each and every one of you forever!”

“You can be very proud of your village, because my mom, Rose Powell was treated royally by your staff. Thank you for all the help you gave to us when we moved mom to The Village of East Harbor. You made arranging everything so easy especially when we didn’t know what to do next. God Bless.”

*Virginia and Tom Zick*

“My sister, Helen Read, and I wish to thank you for the care given to our mother, Viola Keller, during the past twelve years. We were fortunate to have chosen your facility.

During those long years we came to know so many of the employees. All were pleasant and accommodating. There were those in activities and laundry, administration and dietary, maintenance and housekeeping, and all the others in between.

Most of all, we thank the medical staff of Station #3 where Mother spent all of her years in care. She was often difficult, but the caregivers were patient and innovative. We were always made aware of Mother’s condition.

We were fortunate to be with our mother when she died. We miss her. And we miss our ‘family’ at the Village.”

“Thank you so very much for all of your help, prayers and understanding over the past several months. Also, thank you for your expressions of sympathy to us during this time. God Bless and keep you all in His precious care.”

*The Family of Peggy Williams*

“I want to thank you very sincerely for all you did for my Dad and for our family. I really think he would have been very happy there if we would have moved him a few years sooner.”
