A SENIOR LIVING COMMUNITY

Managed by Presbyterian Villages of Michigan

Look for PVM on:

Giving Matters.

By Paul J. Miller, CFRE,
President, PVM Foundation

Why does Friends & Family campaign matter?

Giving to your local Village = residents' power to choose.

Friends and Family is a time when residents can look around and say, "What is the number one thing we need?"

Sometimes it's funds for **resident activities combating isolation.**

Sometimes it's **technology upgrades tools to stay connected.**

Always, it's something important to the residents that can't be done by the Village alone.

Residents **can't do it without you.** Below are the PVM residents' wish lists:

Resident Activities

- The Village of Hampton Meadows
- The Village of Harmony Manor
- The Village of Holly Woodlands*
- The Village of Mill Creek
- The Village of Oakman Manor
- The Village of Sage Grove
- The Village of St. Martha's
- The Village of Warren Glenn

Technology Upgrades

FROM THE DESK OF THE ADMINISTRATOR, CAROLYN MARTIN:

Renee the Clydesdale came to visit our community and it was Pet Therapy on Steroids. We decided to try something we have never done before. Some thought it was crazy and others just wanted to see for their own eyes a horse visiting residents inside the building. Many of our seniors have mobility issues and can not go outside. We wanted to engage them with a new experience. The event turned out to be one of the most memorable and moving experiences on our campus. The big Clydesdale horse brought out everyone. Including staff, families, and residents. Seeing a horse roaming the halls was a sight to behold! Some who rarely socialize wanted to pet and see the big beautiful Clydesdale. The emotional encounter between the horse and residents was touching. Renee the horse put her head in some of the residents laps who were wheel chair bound. She instinctively seemed to know how to greet and meet and connected with the residents. The visit was scheduled for an hour. It became evident she would not be able to see everyone in Healthcare, Memory Care, Assisted Living, and greet residents in the Activity room in one hour. Her owner, Margie Provenzano was so moved by the reaction of our residents she agreed to stay until everyone had a chance to engage with Clydesdale Renee, affectionately known as Neigh-Neigh.

Numerous pictures were taken and shared, including some great shots by Bill Borum husband of Gina, one of our Healthcare residents. The Macomb daily featured a front page story. That story was picked up by social media and next thing you know the story went national, and international. Pictures and articles are being shared everywhere. Pinterest, Redditt, AARP, Boston News, Tampa News, The Today Show website... to name a few of the sites where our story has landed. If you are interested in reading more, look us up on Facebook, The Village of East Harbor, and find pictures and more articles.

On another note, We are kicking off our Friends and Family campaign. This years kick off event, To Tell the Truth, promises to be an entertaining afternoon. Join in the fun and see if you can tell who is really Telling the Truth. Enjoy refreshments and drawings for prizes. Funds that are donated will be put towards the new health and wellness center. Sample exercise equipment will be located in the lobby enabling you to see what your donations could be used for.

Excitement is Building (pun intended) as we continue to move forward with improving our campus for you and future residents.

Happy Spring,
Carolyn Martin

MARKETING

Happy Spring to everyone from the Sales/Leasing/Admissions Department!

There is a bunch of daffodils currently in full bloom in one of our courtyards, and hopefully your flowers will be popping up and blessing you with their splendor soon. We encourage plantings around your apartments, but as you know, if you plant flowers, you must maintain them. It is the responsibility of the maintenance department and grounds crew to maintain everything already in place. If you would like a copy of our rules for plantings, please stop in and see Nancy or Peggy in the Sales/Leasing office.

As you venture out, you will notice that our new construction has started! These are improvements to our nursing area, rehab, main building, memory care, and assisted living initially, but the exciting new 3-story midrise apartment building is proposed for the second phase, with possible completion in about 2 years. Now there will be even more great options for senior living! Make sure to tell your friends and family, as we are working on a wait list right now – it's not too early to plan ahead!

The Village of East Harbor Skilled Nursing and Rehab Health Care Center is happy to announce that we now are a preferred provider and can accept HAP insurance.

Please note this for future reference if you carry HAP insurance.

WHERE IN THE WORLD HAS OUR VEH JACKET BEEN?

Joan Lehoczky and Elaine Walton were recently spotted in Florida and Bahamas wearing their Village of East Harbor jackets.

UNFORGETTABLE

*I remember the night we met,
As I recall it happened by chance.
I remember the perfume you wore.
I remember our first dance.
I remember your eyes;
As if on fire they glittered so bright.
They were as clear as a raindrop;
Like the stars on a clear summer's night.*

*Remember your smile;
Your perfect white teeth.
I remember your nose;
Upturned but petite.
I remember your lips;
The burning kiss.
A growing desire;
Eternal bliss!*

*I remember your face;
So delicate - - so fair.
I remember your soft hands;
Fingers entangling my hair.
I remember our hearts touching;
Together - beating as one.
Dancing on forever and ever
though the music was done.*

*I remember our talk of the future,
of hardships and joy.
You wanted at least five kids,
I - a girl and a boy.
I've known you three hours.
Three six packs of beer.
Softly whisper your name —
I've forgotten it my dear!*
