Report on the Financial Statements

We have audited the accompanying financial statements of Spring Meadows II Senior Non-Profit Housing Corporation d/b/a The Village of Spring Meadows II (the "Organization"), which comprise the balance sheet as of June 30, 2020 and 2019 and the related statements of activities, changes in deficiency in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Spring Meadows II Senior Non-Profit Housing Corporation d/b/a The Village of Spring Meadows II as of June 30, 2020 and 2019 and the results of its operations, changes in deficiency in net assets, and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

To the Board of Directors
Spring Meadows II Senior Non-Profit Housing Corporation
d/b/a The Village of Spring Meadows II

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 17, 2020 on our consideration of Spring Meadows II Senior Non-Profit Housing Corporation d/b/a The Village of Spring Meadows II's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Spring Meadows II Senior Non-Profit Housing Corporation d/b/a The Village of Spring Meadows II's internal control over financial reporting and compliance.

Notes to Financial Statements

June 30, 2020 and 2019

Note 1 - Nature of Business

Spring Meadows II Senior Non-Profit Housing Corporation d/b/a The Village of Spring Meadows II (the "Organization") is a nonprofit corporation that owns and operates a 40-unit affordable housing rental project for elderly persons (the "Project"). The Project is located in Blackman Township, Michigan, operating under HUD Section 202 of the National Housing Act, and regulated by the U.S. Department of Housing and Urban Development (HUD) with respect to rental charges and operating methods.

The Organization is sponsored by Presbyterian Villages of Michigan (PVM). PVM is a comprehensive, diverse, and faith-based organization serving seniors in multiple settings since 1945. Its mission, guided by its Christian heritage, is to serve seniors of all faiths and to create new possibilities for quality living. PVM's tradition of social accountability and servant leadership is further reflected in its statement of beliefs and values and its various operational philosophies and practices.

Note 2 - Significant Accounting Policies

Basis of Accounting

The Organization maintains its accounting records and prepares its financial statements on an accrual basis, which is in accordance with accounting principles generally accepted in the United States of America.

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Spring Meadows II Senior Non-Profit Housing Corporation d/b/a The Village of Spring Meadows II and is presented on the same basis of accounting as the financial statements. The information in this schedule is presented in accordance with the requirements of *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the financial statements.

Deposits Held in Trust

In accordance with the Regulatory Agreement with HUD, the Organization is required to maintain a tenant security deposit trust account. The amount must at all times be equal to or exceed the aggregate of all outstanding obligations to tenants for refundable security deposits. The tenant security deposits fund consists of cash.

Deposits Funded

The funds controlled by the Organization represent an insurance escrow, a residual receipts reserve, and restricted funds held for a replacement reserve. The insurance escrow consists of deposits by the Organization to offset insurance expenses. The replacement reserve consists of deposits by the Organization to offset specific expenses and to replace structural elements and mechanical equipment upon consent of HUD. Future monthly commitments for the funding of the replacement reserve account total \$1,500. The residual receipts reserve consists of surplus funds calculated based on a HUD-prescribed formula and can be disbursed only at HUD's discretion. Excess residual receipts are required to be remitted to HUD upon termination of the PRAC contract. Excess residual receipts that are deemed probable to be paid to or recaptured by HUD are recorded as a liability. The excess residual receipts liability was \$20,176 and \$31,721 at June 30, 2020 and 2019, respectively, and is included in current liabilities on the balance sheet. Each year, the liability is adjusted to reflect current year activity to the residual receipts, including required deposits, earned interest, approved withdrawals, and any adjustments to the amounts deemed probable to be paid to or recaptured by HUD.

June 30, 2020 and 2019

Note 2 - Significant Accounting Policies (Continued)

Fixed Assets

Land, buildings, equipment, and furniture are recorded at cost when purchased or appraised value if donated. Depreciation is computed principally on a straight-line basis over the estimated useful lives of the assets, which range from 5 to 40 years.

Maintenance, repairs, and renewals that do not involve any substantial betterments are charged to expense when incurred. Expenditures that increase the useful life of the property are capitalized.

Impairment or Disposal of Long-lived Assets

The Organization recognizes impairment of long-lived assets used in operations when indicators of impairment are present and the undiscounted cash flows estimated to be generated by those assets are less than the assets' carrying amount. No impairment of the Organization's rental property has occurred.

Tenant Accounts Receivable

Accounts receivable represent amounts due from tenants. Tenant accounts generally are collectible as long as the tenant is occupying the unit. When the tenant vacates the unit, any unpaid balance remaining after application of the security deposit is charged to bad debt expense. There was no allowance for bad debts at June 30, 2020 and 2019.

Rental Income

Units that are designated for occupancy by eligible low-income tenants under a HUD Section 202 project rental assistance contract require tenants to contribute a portion of the contract rent based on formulas prescribed by the U.S. Department of Housing and Urban Development. Housing assistance payments are received for the balance of contract rent from HUD. The current contract expires on May 31, 2021. Management intends to renew the contract prior to the expiration date.

Classification of Net Assets

Deficiencies in net assets of the Organization are classified as net assets with donor restrictions or net assets without donor restrictions depending on the presence and characteristics of donor-imposed restrictions limiting the Organization's ability to use or dispose of contributed assets or the economic benefits embodied in those assets. All net assets of the Organization at June 30, 2020 and 2019 are considered net assets without donor restrictions.

Income Taxes

No provision for income taxes has been included in the financial statements since the Organization is exempt from such taxes under Section 501(c)(3) of the Internal Revenue Code.

Regulatory Agreement

A Regulatory Agreement with HUD was signed in connection with the capital advance. No violations of this agreement were noted for the years ended June 30, 2020 and 2019.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

June 30, 2020 and 2019

Note 2 - Significant Accounting Policies (Continued)

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including September 17, 2020, which is the date the financial statements were available to be issued.

Change in Accounting Principle

As of July 1, 2019, the Organization adopted new guidance related to the presentation of restricted cash on the statement of cash flows. Under the new guidance, which was applied retrospectively to all years presented, transfers between restricted cash and unrestricted cash are no longer presented on the statement of cash flows. Additionally, the beginning and ending balances of cash on the statement of cash flows now include restricted cash balances.

Note 3 - Capital Advance

The Organization obtained a capital advance from HUD, which was used to assist in financing the construction of the Project in accordance with the provisions of Section 202 of the Housing Act of 1959. The capital advance at June 30, 2020 and 2019 is \$3,510,300, bears no interest, and is not required to be repaid as long as the housing remains available to very low-income households and the aged and/or handicapped for a period of 40 years, expiring in April 2049. In addition, the Organization is subject to the additional requirements of the HUD Section 202 program. If default occurs, then HUD, at its option, may accelerate the entire principal balance and charge interest. It is the Organization's intent to comply with the time requirement and Section 202. Based on the time and provision requirements, the advance is recorded as long-term liability. The capital advance is collateralized by the land and building of the Organization.

Note 4 - Related Party Transactions

Director appointments are approved by Presbyterian Villages of Michigan, a related not-for-profit organization that is also the HUD-approved management agent.

The property management agreement provides that a management fee in the amount of 8.19 and 7.83 percent of gross rents collected be paid to PVM, limited to \$46 per unit per month, for the years ended June 30, 2020 and 2019, respectively. In addition, the Organization pays accounting service fees to PVM, which are included in the annual budget. The Organization incurred management fees of \$20,583 and \$20,792 for the years ended June 30, 2020 and 2019, respectively. In addition, accounting service fees of \$4,800 were incurred to PVM for the years ended June 30, 2020 and 2019.

Note 5 - Current Vulnerability Due to Certain Concentrations

The Organization's sole asset is Spring Meadows II Senior Non-Profit Housing Corporation d/b/a The Village of Spring Meadows II. The Project's operations are concentrated in the senior housing market. In addition, the Project operates in a heavily regulated environment. The operations of the Project are subject to the administrative directives, rules, and regulations of federal, state, and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules, and regulations are subject to change by an Act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including additional administrative burden, to comply with a change.

Costs have been allocated between program services and management and general on several bases and estimates, including time and effort and square footage. Although the methods of allocation are considered appropriate, other methods could be used that would produce different amounts. There were no fundraising expenses during 2020 and 2019.

Note 7 - Liquidity and Availability of Resources

The Organization has \$21,530 and \$38,846 of financial assets available within one year of June 30 to meet cash needs for general expenditure consisting of cash of \$3,546 and \$21,265 and accounts receivable of \$17,984 and \$17,581 at June 30, 2020 and 2019, respectively. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the balance sheet date.

Notes to Financial Statements

June 30, 2020 and 2019

Note 7 - Liquidity and Availability of Resources (Continued)

The Organization manages its liquidity by developing and adopting annual operating budgets that provide sufficient funds for general expenditures in meeting its liabilities and other obligations as they become due. The Organization maintains financial assets on hand to meet 30 days of normal operating expenses. In addition, the Organization maintains funds in a reserve for replacement and a residual receipts reserve. These funds are used for the benefit of the tenants and/or the Project and are required by HUD. The funds may be withdrawn only with the approval of HUD.

Independent Auditor's Report on Supplemental Information

To the Board of Directors
Spring Meadows II Senior Non-Profit Housing Corporation
d/b/a The Village of Spring Meadows II

We have audited the financial statements of Spring Meadows II Senior Non-Profit Housing Corporation d/b/a The Village of Spring Meadows II as of and for the year ended June 30, 2020 and have issued our report thereon dated September 17, 2020, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information, including the schedule of expenditures of federal awards, is presented for the purpose of additional analysis, as required by HUD and the Uniform Guidance, and is not a required part of the financial statements. For the purpose of electronic submission to the U.S. Department of Housing and Urban Development, Real Estate Assessment Center (REAC), the supplemental information is also deemed to include the financial data template information presented in the balance sheet and the statements of activities, changes in deficiency in net assets, and cash flows. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Independent Auditor's Report

To Management and the Board of Directors
Spring Meadows II Senior Non-Profit Housing Corporation
d/b/a The Village of Spring Meadows II

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Spring Meadows II Senior Non-Profit Housing Corporation d/b/a The Village of Spring Meadows II (the "Organization"), which comprise the balance sheet as of June 30, 2020 and the related statements of activities, changes in deficiency in net assets, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated September 17, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency, described in the accompanying schedule of findings and questioned costs as Finding to 2020-001, to be a material weakness.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified a certain deficiency in internal control that we consider to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Organization's Response to Finding

The Organization's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Organization's response was not subjected to the auditing procedures applied in the audit of the financial statements, and, accordingly, we express no opinion on it.

To Management and the Board of Directors
Spring Meadows II Senior Non-Profit Housing Corporation
d/b/a The Village of Spring Meadows II

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal
Program and Report on Internal Control Over
Compliance Required by the Uniform Guidance

Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance Required
by the Uniform Guidance

Independent Auditor's Report

To the Board of Directors
Spring Meadows II Senior Non-Profit Housing Corporation
d/b/a The Village of Spring Meadows II

Report on Compliance for Each Major Federal Program

We have audited Spring Meadows II Senior Non-Profit Housing Corporation d/b/a The Village of Spring Meadows II's (the "Organization") compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Compliance Supplement that could have a direct and material effect on the Organization's major federal program for the year ended June 30, 2020. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal program.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on the major federal program for the year ended June 30, 2020.

To the Board of Directors
Spring Meadows II Senior Non-Profit Housing Corporation
d/b/a The Village of Spring Meadows II

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Section II - Financial Statement Audit Findings

Reference Number	Finding	Questioned Costs
2020-001	<p>Finding Type - Material weakness in internal control over financial reporting</p> <p>Title - Segregation of duties</p> <p>Finding Resolution Status - Resolved</p> <p>Information on Universe and Population Size - N/A</p> <p>Sample Size Information - N/A</p> <p>Criteria - Adequate segregation of duties surrounding the online banking, cash disbursement, and journal entry processes is necessary to prevent the risk of material misstatement of the financial statements and/or misappropriation of assets.</p> <p>Statement of Condition - The Organization does not have the appropriate segregation of duties surrounding its online banking, check disbursement, and journal entry processes.</p> <p>Cause - In November 2019, the departure of the vice president of finance led to the shifting of responsibilities to other finance department staff and the lack of segregation of duties relative to the online banking, check disbursement, and journal entry processes.</p> <p>Effect or Potential Effect - The Organization is at greater risk for a material misstatement of its financial statements and/or misappropriation of assets.</p> <p>Auditor Noncompliance Code - S - Internal control deficiency</p> <p>Reporting Views of Responsible Officials - Management agrees with the finding and has put preventive controls in place starting in March 2020 to mitigate the risks identified in this finding. As a result, management does not believe this will be a finding going forward.</p> <p>Context - While dual approval is in place for initiating and approving wire transfers and ACH transactions, every individual within the Organization who was designated as an administrator on the bank profile, prior to March 2020, had the ability to add and modify user rights without dual approval. This allowed for potential circumvention of the dual authorization control.</p> <p>Certain users within the finance department had incompatible rights within the accounting system prior to March 2020. Those rights included modifying user security rights, posting journal entries, modifying vendor information, and printing checks with electronic signature. The member of management performing the review of all check runs prior to disbursement had unlimited access to the financial system.</p>	None
