Summer is here!!!!

Summer has come quickly. Please remember to stay hydrated when outside. We have begun to plant flowers around the property. We like to make things look beautiful for all to enjoy.

We had great success with our Friends and Family this year. We have a total of **\$7,375.59** to go towards our connectivity for the property. I am working with our IT department at corporate to set a plan of action. Thank you to all who helped raise the funds for this project.

The first part of our IT work will be the week of June 6th. We will be upgrading our emergency response system. All residents will be receiving new help buttons with this system. I will keep you updated as we progress.

We are in the final stage of the hiring process for our Service Coordinator. I hope to have someone in place during the month of June.
