VILLAGE ADMINISTRATOR

The final tally is in for our Friends and Family Campaign. You raised a total of **\$5,072.62**. I was very excited that we met and past our goal of \$4,000. Thank you to all who gave. The funds will be used for our Village and split between Resident Activities and Facility Improvements.

Don't forget that June 23rd is the Village Victory Cup. I know the teams have been practicing. If you would like more information about the "games", please contact Cassie Roberts and she can give you all the information.

It is time once again to nominate employees for Shining Star. This is a time that you can tell PVM if there is a staff person that is doing a great job. Last year Cassie was in the top 10 and Derek won the leadership award. You can nominate as many staff as you want you will just need to complete a separate form for each staff member. The forms are located in the office. Please let the Shining Star committee know how much you appreciate the staff here at Holly Woodlands. All nominations must be completed and sent in by August 10, 2017.

I would like to wish all the Father's a very happy Father's Day. However you spend your day, I wish you all the joy the day may bring!

Misconceptions about Hospice Care

Hospice is where you go when there is nothing more a doctor can do.

Hospice is care designed for patients with a life-limiting illness. Hospice is not where you go to die, rather hospice professionals are trained to assist patients in living their lives fully, completely, and without pain until the end of their lives.

To be eligible for hospice, I have to be in the final stages of dying. Hospice patients and families receive care for an unlimited amount of time, depending upon the course of the illness. There is no fixed limit on the amount of time a patient may continue to receive hospice services.

Hospice is just for the elderly. Hospice is for anyone facing a life-limiting illness, regardless of age.

After the patient's death, hospice care ends. Bereavement services and grief support are available to family members for up to one year after the death of a patient.

Join All American Home Health and Hospice on June 15th for a meet and greet and learn all you need to know about hospice care!
