Village Administrator

We would like to thank our Board of Trustees for yet another great cookout this year. We had a lot of good food and great conversation. Thank you again for making it so special for us!!!

I will be having our resident/ administrator meeting on Wednesday, August 9th at 1:30pm at the Manor. Please come out and share your suggestions and concerns. We always welcome ideas on how to make Holly Woodlands better.

Don't forget to nominate staff for Shining Star. You can nominate as many staff members as you like. This is a great way to let the staff know how much they are appreciated. You can pick the forms up in the office.

Have a great rest of the Summer!

August 8th at 1 pm - Final Expenses Lunch and Learn: Many people view life insurance as a way of replacing their income after they die to help out their surviving loved ones. However, it is not always about income. Because burials and funerals often cost a lot more than people think they do, it is important to understand options like **Final Expense life insurance**. After all, the real point of life insurance is ensuring your loved ones are taken care of after you die and do not have to drastically change their lifestyle. Being faced with unexpected bills after your death could definitely get in the way.

Do Some Summer Planning! **You have the power right now.**

Remember PVM and older adults in your will, and rest easy knowing that you'll be doing great work long into the future.

The weather is great. Friends and family are getting together for barbecues and to enjoy the lakes, beaches and everything the great state of Michigan has to offer.

Chances are, the farthest thing from your mind is planning for *after* your lifetime.

But as you're with your family, your friends and loved ones this summer, take a moment to think about your future.

Who wants to think about that at a happy time?! ***I know!***
BUT—I challenge you—would you rather think about it at a desperate time?

By planning now, you can have the largest impact. You can build a legacy that's right for you and you'll let older adults know that you're with them now and always.

Learn more about how you can leave a bequest and start planning at mylegacy.pvmf.org. If you have any questions or comments, please contact us at 248-281-2040 or pvmfoundation@pvm.org.

Thank you!

We are the Champions!

How do you spell dynasty? I am beginning to think it's W-E-S-T-L-A-N-D. On Friday, June 23rd, for the second straight year and fourth time in six years the Stars from the Village of Westland won the Village Victory Cup. When asked what the secret is to their winning ways, they replied it's "the 2 p's – practice and participation. We participate in every event with the maximum number of allowable participants and we begin practicing weeks in advance. We've found the more people, the more fun and the more you practice the better you get."

With 265 participants and 96 coaches from 17 communities supported by over 70 volunteers gathered at the Ford Community & Performing Arts Center in Dearborn, this year's Village Victory Cup was the largest one yet. It was also the loudest. Though we didn't have a decibel meter to confirm it, the noise from all the spirited cheering rivalled that of a jet engine. In the end, the Sharks from the Village of Redford were deemed the most spirited and were presented with this year's Spirit Award.

Not to be out done by their southeast Michigan peers, throughout June PVM Villages 100 miles or further from the PVM Home Office competed in the Virtual Village Victory Cup. Participating Villages competed in the games at their respective Villages and reported the results to the PVM Wellness Department, which compiled them to determine the winner. Eighty-eight residents from six communities participated making it, like its counterpart, the largest one to date. It was also the closest. By just a half point, the Hornets from the Village of Hampton Meadows emerged as the victors.
